Chapter 1 by Story Wars

Everyone tells me that I can be whatever I want to be, that I have the capability to do anything. I know the truth though.

The voices have made it perfectly clear that I'm nobody.

You know how in kids cartoons, sometime they use the novelty images of an angel on one shoulder trying to convince you to do right and the devil on the other trying to lead you to a path of evil.

I have those voices in my ears, but the only problem is, I don't know which is which. I can't distinguish what people think good and bad are.

So, I just do what I want to do.

This has led me to immense trouble.
